VERSE 1

Blue skies coming
Glad I've got a friend like you
Rainbows shining
Seems like everywhere I go
I see all the signs
If I just take the time

CHORUS

Why don't you stop
And help somebody who's down
Why don't you go
And let somebody know
Why don't you do
What you got to do
You know it's love that
Makes the world go around

VERSE 2

Blue birds singing
Sounds like daylight's breaking through
Warm winds blowing
I'm thinking spring is here to stay
I see all the signs
If I just take the time

CHORUS

Repeats 3X
