

# My God Is So Big Lyrics and Motions

My God is so big (Stretch hands up tall.) so strong and so mighty (Do muscle arms.)

There's nothing that my God can't do (Shake head no and wave hands in front of body indicating "no.")  
(REPEAT)

He made mountains so tall, (Hands together like a mountain peak above head.)

Rivers so wide, (Stretch arms out wide and make wave motion with hands.)

And even the stars far away! (Do starbursts in the air by opening and closing jazz hands.)

My God is so big (Stretch hands up tall.) so strong and so mighty (Do muscle arms.)

There's nothing that my God can't do (Shake head no and wave hands in front of body indicating "no.")

Bridge:

For you... (Point to others.)

How big? (Hands by shoulders and shrug.)

So big. (Stretch hands up tall.)

How strong? (Hands by shoulders and shrug.)

So Strong? (Do muscle arms.)

How mighty? (Hands by shoulders and shrug.)

All mighty? (Sweep arms out indicating all and then do muscle arms.)
